'THE ASSASSIN' BEGINS FIRST OF FIVE SHOWS TONIGHT AT 8:15

San Jose Students Present
Story of French Underground

Firstnighters will audience one of the most talked of plays produced on Broadway when the curtain rises tonight in the Little Theater on "The Assassin," this quarter's production by the Speech department. Under the direction of Dr. James Clancy, San Jose students will present a play dealing with the underground movement in France during World War II, and the assassination of Admiral Darlan, known in the play as Admiral Vespary.

Robert de Mauny, played by Ed Williams, agrees to assassinate Vespary so that his (de Mauny's) fellow underground workers will not be imprisoned. He enters into the murder with the understanding that he will not be punished for the crime. At the last minute he is double crossed by the French officials in power.

His sweetheart Helene Mariotte, played by Stella Pinoris, tries to stop de Mauny before he commits the murder, although she realizes that it is for her and her friends he is taking the chance.

Vauquin, John Calderwood, leads his underground associates through the invasion of Africa by the American and British forces. After assisting the Americans, the Frenchmen are placed in prison by the ruling powers.

JUNIORS TO GET PROM PICS

Members of the junior class may obtain prom pictures from Bill Wagner, it was announced by the junior class council.

These include pictures of the queen, her attendants, and shots of the entire crowd.

"A treasure hunt has been planned for Saturday's junior class council outing which will be held at Adobe Creek Lodge," states Sal Millan, class president. "The treasure hunt schedules a few more miles of travel and should be one of the highlights of the day."

Those who have not signed-up as yet are requested by Millan to see either Eleanor Freitas or Adele Bertolotti before Friday. Steaks will be prepared by Class Adviser, Mr. Donald Severns, chief barbeque specialist deluxe.

Council members are reminded of the Spardi Gras program picture which will be taken at 4 p. m. in the Publications office.

SENATE REFUSES TO SPLIT LABOR BILL

Washington, April 30. (UP)—The Senate today defeated, 59 to 35, a proposal to split its omnibus labor bill into four sections after its top Republican and Democratic leaders offered varying suggestions on the possibility of a Presidential veto.

The vote, largest in this Senate session, was viewed as a fair indication that Republicans might have difficulty in mustering the two-thirds majority needed to override a veto by President Truman, if one is forthcoming.

The decision was a victory for Chairman Robert A. Taft (R., O.), of the Senate Labor Committee, who said he would make no outright prediction on a veto but believed nevertheless that Mr. Truman had changed his mind about labor legislation since he vetoed the case bill last year.

TENNEY BILLS GET STUDENT STRAW VOTE

Students will be asked Wednesday to give their opinion of the proposed Tenney bills now before the state legislature.

Subject to the approval of the Student Council, the committee appointed by the council will present the following statement to 2500 members of the student body: "AS A STUDENT OF SAN JOSE STATE COLLEGE I object to any curtailment of academic freedom. I urge you to vote (for), (against) the proposed 'Tenney Bills.'"

This statement, if approved by the council, will be printed on 2500 postcards. The cards will be checked and signed by students, collected, and mailed to state Senator Byri R. Salsman or the senate Committee on Education.

Students will receive the cards to fill out at the same time they vote at Wednesday's run-off election of ASB executive officers. If no election is necessary, the cards will still be distributed, according to plan.

The Student Council, after approving the committee's plan, will write Senator Salsman or the Committee on Education a letter of explanation, which would precede receipt of the postcards.

Members of the student committee are Frank Hearn, Tom Wall, and Bill McFarland, ASB council members, and Ed Kerr and Bill Pentony.

Music Recital To Be May 6

Another musical evening will be presented Tuesday evening, May 6, when the College Music department will give a piano and violoncello recital under the direction of Betty and Benning Dexter.

The music will not be presented on the program in chronological order, according to Mr. Dexter, but will include classical, romantic and modern compositions. One original composition, "Waltz in E Flat Major" will be included on the program. The waltz was written by Robert Linn, a freshman student here, who has had previous experience in the Army, arranging band music.

MYRRA MOSHER IS SYMPHONY SOLOIST

Myrra Mosher, music student, will be a solo artist tonight with the San Jose Civic Symphony in its third performance this year. Twenty-nine other State students will also participate in the symphony.

Miss Mosher will play the "Introduction" and "Rondo Capriccio" by Sain-Saens on the violin.

LA TORRE SHOW TO FEATURE NEGRO COMBO

Billy White and his colored combo will be featured at the La Torre show to be presented to the student body in the Morris Dailey auditorium Thursday, May 8, at 7 p. m.

Special attraction offered by the combo is Billy White Jr., 3 year old son of the leader, who will play the drums. "Sweetie" is the girl vocalist with the organization, according to Bill Ellsworth, business manager for La Torre.

"Other entertainment and over \$250 in prizes will combine to make this La Torre production an interesting evening for everyone," said Ellsworth.

Yearbooks now are on sale in the outer quad and will be sold until May 8. Stub holders are eligible to win the prizes, although the show is free to all. Anyone who has bought a La Torre previously this year and has misplaced the stub may come to the Publications office for his number, announced Ellsworth.

"The La Torre cover now is completed," said Phyl Clayton, editor, "and the sample run has proved very satisfactory."

PICTURES TONIGHT

The following organizations will meet in the Publications office tonight to have pictures taken for the Spardi Gras program, according to Ed Kincaid, business manager:

Iota Delta Phi: 8:30-4.
Junior Council: 4-4:30.
Mu Delta Pi: 4:30-5.
"\$0" club: 5-5:30.
Allentian: 7-7:30.
Alpha Pi Omega: 7:30-8.
Sigma Gamma Omega: 8-8:30.
Alpha Phi Omega: 8:30-9.
Engineering society: 9-9:30.

'VETS CAN GET LOANS'—PITMAN

"Those veterans who are pressed for money because their subsistence allowances didn't come through this month can get a loan of \$25 from the Dean of Men's office, providing they haven't destroyed their credit standing by failing to pay off a previous loan," stated Dean Paul Pitman, yesterday. "Where the need arises we will make a second loan, and when the need exceeds \$25 we will make arrangements with the Red Cross for the larger sum."

Nearly 2,780,000 veterans drawing monthly checks from the Veterans Administration weren't paid yesterday because the VA doesn't have the money yet, the agency announced.

The checks will be delayed until passage of a pending deficiency appropriation bill. Those affected will include most of the 1,120,000 veterans receiving readjustment allowances while unemployed or self-employed, and 1,660,000 others getting subsistence payments while in school or job-training.

VA said payments will be resumed automatically in the shortest possible time as soon as the new appropriation becomes available.

Passage of the bill is expected within a few days.

ASB PREXY ASPIRANTS AIR THEIR VIEWS TODAY AT POLITICAL RALLY

Spardi Gras Queen Candidates,
Pep Band Featured In Quad

Politicians on the loose, pretty girls for the people, and a pep band for the populace, all for free at the big election rally in the outer quad today at 12:30.

Starting off with a howl from the male members of the student body as the nine Spardi Gras lovelies prance across the speakers platform, the first Daily-sponsored political rally in the history of San Jose State college will get underway at 12:30 sharp.

SPARTAN NINE FACES CAL POLY TWICE TODAY

By TOM ROWEN

San Jose State's baseball team will be battling for a chance to re-play a rained out twin bill with San Diego State when they tangle with Cal Poly today at Municipal stadium today at 3 p.m. The nightcap will be a nine inning affair which will start at 8 p. m.

The Spartans need to win today's game, the Saturday double header with Fresno State and COP twin bill on Wednesday, in order to stay in the running for the conference championship. San Jose is holding down second place with seven wins and three losses while the Aztecs are in the first spot with 11 wins and one loss. The April 3 double header with San Diego which was rained out will have to be re-played if it has any bearing on the final standings.

If the Spartans are knocked out of the pennant race and don't re-play San Diego, today's and Saturday's games will mark the last home appearance of four San Jose players. They are Jim Wilson, Wayne Krouskup, George Smith, and Roy Duarte.

Coach Walt McPherson yesterday selected Duarte and Oon Maloney to pitch for San Jose. They were winning pitchers in the previous double header which was played at San Luis Obispo. Duarte has a record of three wins and two defeats while Maloney has won three and lost one. Although Maloney hasn't worked any since the second San Diego Marine game because of a sore arm, McPherson believes that the Menlo Park freshman will be ready to go tonight.

San Jose will line up in the first game with Jim Wilson catching; George Wehner, first base; Wayne Krouskup, second base; George Smith, third base; Hal Phillips, shortstop; Bob Pifferini, left field; Jack Marican, center field; and Ralph Kling, right field. Jack Kakuuchi will be catching in the second game which will be the only change in the Spartan lineup for the nightcap.

CANDIDATES TO BE GUESTS

Queen contestants will be presented as guests of honor at the Tri Gamma-sponsored ASB dance Saturday in the Student Union from 8 until 12.

The purpose of the dance will be to acquaint the student voters with their queen candidates, and the candidates with their voting public. It will be the first time such an event has been planned, according to a Tri Gamma spokesman.

The candidates will be introduced at 10:15 at the dance. The presentation is scheduled at this time to allow those planning on seeing "The Assassin" to attend.

Pat Felice, president of the fraternity, announced, "These dances and the remainder of our spring quarter social program is being presented as a service to the students whom we feel need some sort of inexpensive recreation."

Don Titcomb, Rally committee chairman, is scheduled to do the emcing for the program which will feature the four candidates for President of the ASB. Emerson "Doc" Arends, Hal Riddle, Sal Millan, and Doug Morrison will take the stand at ten minute intervals to give the assembly a sample of their platforms and special plans for the 1947-48 term.

Don Whitehead, conductor composer with the college symphonic band, has promised to have the finest aggregation of musicians on campus available for pre and post rally music. "Our selections," Whitehead says, "will be second only to the 'White Sands Fantasie' in tone and execution."

All students are urged to attend the rally and get a line on the candidates vying for the presidency in Friday's primary.

SCA RETREATS TO LION'S DEN

An all-membership retreat will be held tomorrow afternoon by members of the Student Christian Association, according to Don Cassidy, president of the group.

The members will leave from the Student Union at 5 o'clock. The retreat will be held at the Lion's Den in Alum Rock park.

Purpose of this retreat is to discuss possibilities for summer work projects sponsored by the national SCA and denominational groups. Anyone who would like to participate in a summer project is invited to attend, said Cassidy.

Dinner will be served at the Lion's Den. Those planning to attend should sign up in the SCA office by Friday noon.

MR. SCHMIDT TO AID JC POLICE PLANS

Mr. Willard E. Schmidt, police school head, left for Bakersfield today where he will aid in outlining a police school preparatory program for Bakersfield Junior college.

Mr. Schmidt will return in time for his Monday classes.

BIG POWERS PLAN WORLD PEACE ARMY

United Nations Hall, Flushing, N. Y., April 30. (UP)—The Big Five powers today submitted to the United Nations Security Council a preliminary 90-page work plan for creation of an "International Army" to keep the peace.

The report was the result of 14 months work by the UN Military Staff committee, composed of military representatives of the United States, Great Britain, France, Russia and China.

FORMER SPARTAN

Doug Neff, former Spartan and local minister, will be the guest speaker at today's Collegiate Christian Fellowship meeting at 12:30 in room 21. Neff was an active member of CCF before he graduated in 1945.

CCF President Dave Fraley invites all who are interested to attend today's meeting.

EFFICIENCY EXPERT RIDDLE STRONG PRESIDENTIAL ASPIRANT

(Ed's Note: This is the third in a series of four articles concerning candidates for ASB president.)

By PHIL ROBERTSON

Harold Riddle, most efficient member of the junior class council, who has a name for getting things done speedily and correctly, will run a strong battle in the coming election for student body president.

Riddle is president of Alpha Phi Omega, service fraternity, at

HAROLD RIDDLE

the present time, and it was due mainly to his efforts that the Student Book Exchange operated on campus the past two quarters.

Riddle is a junior industrial arts major from Modesto. He served on the Student Court and the sophomore and junior class councils.

Evidence that leadership runs in families is given by the Taylor brothers, who both were student body presidents. Tommy was president in 1942-43, while we now have Marty in office.

Howard Riddle was student body president in 1944-45. Now his brother is making a bid for the presidency.

In speaking of his plans for the coming year if elected, Riddle said, "One of my main objectives will be to encourage more student assemblies. There is a lack of student interest in student government at the present time, but I feel that this condition can be overcome."

"If I am elected, I will carry out the student administration in as efficient and direct manner as possible. By doing this I hope to benefit the whole student body and not give emphasis to any one organization or group."

DAILY STAFF ADDS FOREIGN REPORTER

Paul Hurmuses, former Spartan journalist and writer of the "Around Campus" column in the Spartan Daily last quarter, dropped out of college recently and now is taking it easy at his home in Victoria, B. C.

Before leaving San Jose, Paul volunteered to cover the National Student Body Presidents association convention in Vancouver, B. C., May 9 and 10 for the campus paper. Since Marty Taylor will represent San Jose State college at this gathering, Hurmuses intends to renew old acquaintances.

Yesterday Hurmuses dropped us a line and reported that Ted Kirkpatrick of the University of British Columbia is being extremely co-operative in getting information out to the expected delegates and has agreed to aid in the post-conference coverage.

The Daily will have complete coverage of the event by Foreign Correspondent Hurmuses.

AREND'S DESIRES TO SEE SJS AMONG NATION'S TOP SCHOOLS

(Ed's Note: This is the fourth and last in a series of articles concerning candidates for ASB president.)

By MAX MILLER

Ballots in this year's spring quarter student body elections will carry the names of four candidates for the office of president. Each of these candidates bears a distinctive record of service done, and the making of a choice will be a difficult one for the voter who casts an impersonal ballot.

"Doc," Emerson Arends, whose name will be among the four, is one of the many students on Washington Square who has a sincere desire to see San Jose State college take a place among the leading schools of the country.

QUALIFICATIONS

As director of Spartan Revelries of 1947 "Doc" turned out one of the best shows to be held on Washington Square in spite of the many problems that must be overcome in such a gigantic undertaking. Largely through his efforts the Revelries netted a profit that made up one of the largest contributions yet turned over to the Memorial Chapel Fund.

Arends is a junior speech major and has served for two years on the Student Council as representative of both the freshman and sophomore classes. He is a member of the Spartan Knights, honorary service organization, and Gamma Phi Sigma fraternity.

PLATFORM

Arends has set his presidential platform down in four main points which he classified as the most important problems facing the student body and the things which should be done:

1. De-emphasis of small factions on campus so that the entire interest of the student body would be toward a common goal.
2. Turning of the present football stadium into a bowl. Increasing its capacity by 10 to 12,000.
3. A unified plan of coeducational recreation. A recreational activity program which would take in the majority of students instead of a small minority.
4. Above all I am for the students of San Jose State college and the college itself, and for the building up of school spirit and its traditions.

EMERSON "DOC" AREND'S

Police Rookies Reverse Routine

Police students reversed an accepted tradition when Claude Cook and Ed Moore became fathers of boys Monday.

Instead of the fathers passing the cigars, the police students took up a collection and bought cigars for the new fathers.

Reptiles Are Democratic Too!

You may give reptiles a cold shoulder, but their regard for each other might even be described as warm-hearted affection.

This was the conclusion voiced by some of the many students who viewed the new reptile exhibit on the second floor of the Science building yesterday.

A small, California garter snake could be seen cuddled about the coils of a long, lazy gopher snake, and the ordinarily nervous-going Pacific blue-bellied lizard was seen to be dozing peacefully on the rough back of an aged turtle.

The only creature proving himself a rugged and thorny individual was a small California horned lizard. Like the ostrich, it preferred to keep its head buried in the sand rather than look upon about the display booth.

Also featured in the exhibit, made possible by Beta Beta Beta, honorary biology society, are interesting specimens of the red-backed alligator lizard, the California king snake, and the California horned lizard.

VARNECK, BINGHAM, CLARK OUT OF FRESNO MEET; STATE FAVORED

By WILBUR AGEE

Three sure point getters will be on the sidelines Saturday afternoon when San Jose State's track team will entertain Fresno State on the local oval. Missing from action will be Connie Varneck, Bob Bingham and Elwood Clark.

Varneck, who was assured of picking up points in the high jump, is still bothered by a leg injury. Also out because of a leg injury is Elwood Clark, who was being counted on for points in the javelin.

Bob Bingham is suffering from an infected foot and is a very doubtful starter in either the 100 or 220 yard sprints. However, San Jose can still sweep the century with Billy Rhyme and Steve O'Meara moving up behind Don Smalley.

Probable winners and runners-up.

100—Haynes (SJ), Collins (SJ), Siler (F).

440—Shaffer (F), Baker (F) or Mangini (SJ).

100—Smalley (SJ), Rhyme (SJ), O'Meara (SJ).

120 high hurdles—Martin (F) or J. Passey (SJ), Birmingham (SJ).

880—Knowles (SJ), Collins (SJ) or Williamson (F).

220—Smalley (SJ), Kohfield (F), O'Meara (SJ).

Two mile—Knox (SJ), Haynes (SJ), Siler (F) or Gensler (F).

220 low hurdles—Rhyme (SJ), Martin (F), Schommel (SJ).

Shotput—Lamoure (F), Linn (SJ), Dorfmer (F) or Higgins (SJ).

Javelin—Lilkins (SJ), Gaines (F), Ferdinandsen (F).

High jump—Robinson (SJ) or Morgan (SJ), Kerber (F).

Discus—Linn (SJ) or Overhouse (SJ), Denmark (SJ) or Lamoure (F).

Broad jump—Waterman (F), Erhman (SJ) or Canfield (F).

Pole vault—Overhouse (SJ), Hibner (F), Hensan (F).

Relay—San Jose.

San Jose 88, Fresno 43.

STANFORD DEFEATS SPARTAN NETMEN

Coach Ted Mumby's tennis varsity squad was defeated by Stanford University at Palo Alto yesterday afternoon by a score of 6 to 3. Captain Gene Franco and Don McKenzie won the long Spartan doubles victory, while Bob Brokop and Dave Parnay won the two single matches. Huffman of Stanford starred for the victors by winning both his singles and doubles matches.

Spartan netmen who traveled to Palo Alto yesterday, included: Captain Gene Franco, Al Elliott, Bob Brokop, Don McKenzie, and Dave Parnay.

Coach Ted Mumby's Spartan tennis squad will meet the highly-touted College of Pacific Tigers netmen tomorrow afternoon in Stockton. The Tigers are the top team of the Pacific Coast and are said to have one of the better net squads in the nation. They recently won the Northern California tennis tourney at Berkeley.

FUGITIVES DROP SPARTAN DAILY

The unbeaten Chandler's Fugitives dumped the Spartan Daily softball team in a 10 to 4 game yesterday afternoon. Other victorious teams were the 357 Team, Gamma Phi Sigma, and Beta Chi Sigma.

A tramping was handed the Police School when the strong 357 Team trounced the cops 33 to 2. It was a walk away from the start with the 357's scoring eight runs in the first inning and racking up 14 more runs in the third.

Gamma Phi downed Alpha Pi Omega to the tune of 12 to 4. Once again the winners showed strength from the beginning with four runs in the first inning. A last inning rally by the APO's brought them their only runs.

Beta Chi had more trouble than the other winning frat team, entering the last inning with a tie score. They had a ten run field day in that last inning and wound up the game with a 20 to 12 win over Delta Sigma Gamma.

SPARTAN MERMEN CLOSE WITH COP

The highly touted College of Pacific swimming team will invade Spartan pool tomorrow night at 8 o'clock to face San Jose State college's mermen.

It will be the final home meet of the season for the Spartans and the final home appearance of Don "Scoot" Thomsen. The Spartan record holder in the 50 yard sprint is graduating in June.

The Tigers handed San Jose its first league setback two weeks ago in Stockton by winning the final relay. Tomorrow night's meet will be the closest meet of the season in the local pool, according to Coach Charlie Walker.

A win for San Jose will improve their chance of coping the CCAA title at Fresno next week. The Spartans have dominated the meet since it was first inaugurated when the CCAA was formed.

CAST

(Continued from Page 3)

American Sergeant, Clifford Roche.

American Lieutenant, David Manning.

M. Jacques, Ivan Van Perre.

A Woman, Dorothy Lyon.

Sergeant, William Shepherd.
